

Guidelines for Volunteers

A school volunteer is a person who willingly gives time, without compensation, to work in a school in support of students, office staff, teachers, and administrators. A school volunteer is a person who is willing to work under the direction of an administrator, staff member, or teacher to enhance and enrich the learning experience of our students. A school volunteer is a parent, family member, senior citizen, or community partner who chooses to donate time to support some aspect of the school experience. If you believe you can fit into this role, then please consider applying to become a school volunteer.

People who would like to volunteer must apply, be screened, and complete an orientation, that includes school guidelines and safety protocols, at the school. Paid and volunteer coaches do not fall under these guidelines and are screened by the Department of Human Resources.

When should I apply?

1. You must apply annually.
2. If you intend to volunteer multiple times in a school year, it is recommended that you apply during the summer after August 1, but at least two weeks prior to the start of the school year.
3. Field trips: It is imperative that you complete your volunteer application at least 48 hours prior to the field trip date if you have not yet been approved as a volunteer, and you want to accompany your child on a field trip. Pay attention to the date of the trip.
4. Applications submitted not within the 48 hours of a field trip departure will not be processed.

Application

1. Read the HCPS regulations in this packet regarding volunteer guidelines, information technology, and acceptable use of technology and software on HCPS computers.
2. Complete the volunteer application available at the school or on the HCPS website at <http://henricoschools.us/pdf/Community/VolunteerApplication.pdf>.
3. Turn in the completed application to the school where you want to volunteer.

Screening Process

1. The volunteer program operates under the management and supervision of the principal. All volunteers serve at the discretion of the principal.
2. The volunteer coordinator at the school receives and processes all applications. The volunteer coordinator uses the Visitor Management System to screen all applicants.
3. Volunteers are not to serve in the school until they have been screened and approved by the principal.
4. If the screening or information disqualifies a volunteer, the principal will notify the applicant.

Orientation

Office of School Safety and Emergency Management (August 2018)

1. Follow school and HCPS procedures regarding the Visitor Management System, signing in and out, wearing badges, using school materials, and maintaining health/security standards.
2. Follow the direction of the Volunteer Coordinator at the school where you would like to serve. He or she will make sure that you are acquainted with the school, classroom, pertinent school policies, and emergency procedures.
3. Read and keep a copy of these guidelines. Please follow them for reasons of safety, protection, and uniformity.
4. Review the *Code of Student Conduct*. Please understand that the supervising teacher should take necessary disciplinary action with a student—not the volunteer.
5. Dress appropriately for the activity, event, or trip.
6. Volunteers working with Virginia High School League (VHSL) activities must follow VHSL rules and regulations.
7. Chaperones will receive orientation before an event or trip.

Assignment

1. After the approved applicant has successfully completed orientation, then he or she may volunteer.
2. School administrators determine where volunteers are needed and how many should be assigned to each task to include chaperoning field trips.
3. Volunteers should keep in mind that there may be more volunteers who apply for a particular position than are actually needed, so volunteers should be prepared to be offered alternate opportunities. HCPS personnel will work diligently to match volunteers with volunteer opportunities.
4. If a volunteer believes that he or she is not a good fit for the assignment, he or she should bring concerns to the volunteer coordinator and request an alternate assignment. Every effort will be made to ensure the volunteer opportunity is a good experience for both the volunteer and the staff member who is being assisted by the volunteer.

Questions or concerns regarding the HCPS Volunteer Program should be directed to Dr. Gwen Miller in School Safety and Emergency Management at gemiller@henrico.k12.va.us or (804) 652-3823.

R11-10-002 GUIDELINES FOR VOLUNTEER PROGRAM

(Revised October, 2017)

All volunteer programs operate under the management and supervision of the principal. The principal will designate a member of the school administrative staff to serve as the Volunteer Coordinator to facilitate the volunteer programs. This responsibility may not be delegated to a non-employee or a teacher. All volunteers must be 18 years old, have a valid photo ID, complete the Volunteer Application each year and submit it to each of the schools in which they wish to serve. The Volunteer Coordinator receives and processes applications and maintains a list of volunteers, who have been screened and approved, for the current school year.

In an effort to ensure student safety, all volunteers must be screened and approved at least 48 hours in advance of participating in a school activity, and then screened again throughout the school year as they volunteer. After their initial screening, volunteers must be screened using the visitor management system. All volunteers serve at the discretion of the principal. Anyone convicted of a misdemeanor or felony offense, especially an offense involving a minor, may be disqualified depending upon the nature of the offense and/or the volunteer's activity.

Volunteer assistant athletic coaches, and coaches paid by third-party organizations, must be

screened according to the procedures established for all School Board employees. Each school is responsible for the cost of this screening. The Department of Human Resources will incur the costs of screening athletic coaches who are issued School Board contracts.

Each school must conduct an orientation appropriate to the activity for its volunteers in which the Volunteer Guidelines, the Code of Student Conduct, school safety procedures, and policy & regulation [4-06-013](#), "Information Technology" are reviewed in depth. Chaperones should receive an orientation provided by the field trip sponsor before the event or trip. Volunteer Coordinators should emphasize that these guidelines are being provided to ensure uniformity and safety. Among other things, volunteer assistant coaches should understand that it is the head coach, and not the volunteer, who is responsible for taking any necessary disciplinary action against a student. All volunteer assistant coaches working with Virginia High School League or Middle School Athletic Council activities must follow VHSL or MSAC rules and regulations.

Volunteer Guidelines

The following responsibilities and expectations will apply to all volunteers:

1. The volunteer will operate only under the direct supervision of the principal or his/her designee.
2. The volunteer must be willing to accept direction and supervision from school staff.
3. The volunteer may provide assistance to students as directed by the appropriate school supervisor but may not do the work for the students.
4. The volunteer must treat students with fairness, honesty, patience and kindness.
5. The volunteer must set a good example by being courteous and respectful of students and staff.
6. The volunteer must be knowledgeable about classroom rules and practices and emergency procedures and must be familiar with the Volunteer Guidelines and the Code of Student Conduct.
7. The volunteer must report discipline issues to the appropriate staff member immediately.
8. The volunteer must respect the privacy of students and school staff and must not divulge confidential information.
9. The volunteers may not bring any children with them when volunteering.
10. The volunteer agrees to follow the School Board's policy & regulation [4-06-013](#), "Information Technology," regarding acceptable use of technology.
11. In the event of a school emergency, the volunteer will follow the school's established safety protocols and will immediately follow the directions of the staff member with whom he or she is working.
